9 The fee leviable under S 48(1)(a) arises on the put of "any place used by or for animals which are for sale or hire," In this case the place evidently belongs to the Municipal Commt for it is said to be within the town, and a rate can be fixed as proposed, and the Municipal Commt is entitled to charge the fee levied same under S 70(1) Though the case of stalls or enclosures may be one of the obligatory functions of the Municipality under the Act, still the right to levy the charge is independent of the duty imposed upon the Municipal Commt to construct the stalls or enclosures
